

# Communication Hubs Spring & Summer 2023

In 2019 the Norwich Opportunity Area launched the Communication Hubs model to provide early years practitioners with new CPD and networking opportunities to help support children's early speech, language, and communication development.

Since then, The Early Years Learning and Achievement Service have launched **five new Communication Hubs** in each of the following Norfolk districts and we are now very pleased to share our upcoming schedule of meetings for the remainder of the 2022-23 academic year (please see next page).

- **Great Yarmouth & East**
- **Broadland**
- **North Norfolk**
- **King's Lynn and West**
- **South Norfolk**

The Communication Hubs offer was co-produced with both system partners and early years providers using the extensive feedback we received from our autumn speech and language questionnaire. As a result, here is what you can expect from your local Communication Hub:

- **Half termly network meetings** that alternate between face to face and online delivery (as voted for by the majority of respondents).
- Evening meetings that start from 6:30pm.
- **High-quality CPD** based on the areas that providers told us they would like more support with.
- Opportunities to **share best practice**, build relationships and network with other local settings.
- Optional 30 minute '**speech and language surgeries**' to allow practitioners the opportunity to talk to a local speech and language therapist and ask practice-based questions. (These surgeries will require practitioners to submit their questions in advance).
- Opportunities to speak with your local **Early Years Advisor and Improvement Development Worker**.
- Improved access to speech and language resources via a small **resource library** that practitioners can browse during face-to-face meetings. (In the mid-long term, this will be extended to a resource borrow scheme).

### Target audience & cost

Childminders  
 Early Years Setting Practitioners  
 School Nursery & Reception Teachers/Teaching Assistants

£0 – Fully funded

### Training provider

Early Years Learning and Achievement Service

**Privacy notice:** By applying for courses in the Early Years Learning training programme you give consent to Norfolk County Council (NCC) processing and holding the personal data within your application in accordance with the NCC privacy policy. You consent to the information being passed to the training provider that will be delivering the course that you have applied for. The training provider may be an individual or team within NCC or a private organisation that has been commissioned by NCC.

Whilst we do encourage practitioners to make use of their local Communication Hub, please note that practitioners can attend any of the five new Communication Hubs or one of the five pre-existing Communication Hubs listed below\*:

- The North Norwich Communication Hub
- The Lakenham Communication Hub
- The Peapod Communication Hub (for community groups)
- The 0-2 Communication Hub (focused on 0-2 best practice)
- The Breckland Communication Hub

\*Please note, the five pre-existing Communication Hubs, established by the Norwich Opportunity Area, have their own offers and agendas. Please get in touch with them directly to find out more, using the details on this [flyer](#).

**Booking:**

To book onto a Communication Hub network meeting, please use the Provider Portal. Booking is limited to two practitioners per setting for face-to-face meetings and spaces will be allocated on a first-come first-served basis. For online meetings, there is no booking limit for practitioners from the same setting.

If you would like to stay for the optional 30-minute Speech and Language Surgery at the end of each meeting (8pm-8:30pm) and you have a practice-based question to ask, please submit this via the Microsoft Form that will be sent to you before the meeting.
