

## Work Placement Support Service

(Health and Safety)

Charging Structure from 1/8/11 to 31/7/12

### Service Levels Provided

- Access to the Single Check Validation Database of 48,000 employers, 4,500 of which are already approved for use as work placements.
- Completion of the required health and safety checks for students in years 10 to 13
- Advice and support for school staff responsible for Work Placements
- Access to the employers Young Persons Risk Assessment online (Legally required to be provided to parents/carers of young people who are in years 10 or 11)
- Monitoring of student welfare on Extended Placements at 3, 6 or 12 months
- Placements in Suffolk and Cambridgeshire can be carried out, however a surcharge will apply to cover additional travel costs and time spent.
- Ability to check the database to identify an employer's health and safety review date, risk status, any safeguarding warning and prohibitions.
- Totally electronic way of working with no paperwork.
- Employer visit requests can be made at any point in the year for any duration of placement.

### Charging Structure for Schools

<b>Total Number of Students requiring placements in 2011/12</b> <b>(Total participating students from years 10,11,12,13 )</b>	<b>Cost to Schools in £</b>
Under 50 students	£750
51 to 150 students	£2,100
151 to 250 students	£3,250
251 to 400 students	£4,500
401 + students	To Be Negotiated
<b>If all schools in a LOP participate then each school in that partnership will receive a 10% reduction in the costs above.</b>	

**A simpler, better and faster way of ensuring quality and consistency of Health and Safety checks for work placements in Norfolk**

Planning the resources required for this new service is taking place **now!** If you would like to find out more about how this service could work for your organisation, please contact Paul Wright by the end of 27<sup>th</sup> of May 2011
