

Norfolk School Self Evaluation Site

We have created a site to support schools with self evaluation. There are two parts to this; one contains workbooks, guidance and support materials, the other is a secure interactive form where you can enter SEF grades and add supporting self evaluation in a similar way to the existing OFSTED SEF website.

Currently, the Norfolk SEF website gives schools a place to record and update their self evaluation according to the existing OFSTED framework. When the details of the new OFSTED framework are known, the form and guidance will be reorganised and updated to help schools. The data recorded on the existing Norfolk Schools website will be retained, and wherever possible, can be moved to the new framework, so it can be updated with the minimum of administrative burden on schools.

The site is kept within the current 'My School' site within 'Norfolk Schools' and therefore accessed using schools' existing username and password.

The site is available through the Leadership and Management section and you can access it directly, by going to www.schools.norfolk.gov.uk/sites/sef

The screenshot shows the Norfolk County Council website header with the logo and navigation links. Below the header is a search bar and a 'QUICK Menu...' section. The 'QUICK Menu...' section has a dropdown menu open, showing options like 'School Leadership & Management', 'School Self Evaluation', 'Overall effectiveness', 'Outcomes for Pupils', 'Provision', 'Leadership and management', 'EYFS', 'Sixth form', 'Update SEF', '12 Point OFSTED Checklist', 'Contacts and Support', and 'Log In'. A blue arrow points from the 'Update SEF' option to the 'Other Self Evaluation Guidance' text on the left. Another blue arrow points from the '12 Point OFSTED Checklist' option to the 'Link to the SEF' text on the left. A third blue arrow points from the 'Outcomes for Pupils' option to the 'Guidance and workbooks. Choose a SEF section to read and download.' text on the left. The 'School Self Evaluation' section is highlighted in green, and it contains a list of bullet points and a 'Recording the judgements:' section.

School Self Evaluation

The guidance and workbooks on this website will help you to:

- Make **self evaluation judgements** about your school
- Highlight the ways in which your school can improve areas of its work
- Indicate where the evidence is kept in school to support the judgements you have made
- Highlight additional monitoring evidence that may be useful in backing up judgements or moving your school forward
- Prepare a simple **12 point "Less is More" file** in preparation for an OFSTED inspection

Recording the judgements:

School Self Evaluation should briefly list your major reasons for deciding on the grade you have selected referencing your judgements to the matters in the relevant grade descriptor. You should include only the minimum amount of detail in support of your judgement; bullet points are quite acceptable. If you judge that the school is close to a grade boundary, briefly say why you did not select the other grade.

Click on "Update SEF" to go to the Self Evaluation Form page. You will be prompted for you DFE number and "My School" Password, unless you are already logged in.
