Integrated Education Advisory Services: Performance Management for New Reviewers

This is a half day (4hr) course is aimed at those teachers/headteachers who are new to the annual performance management reviewing process or wish to re-clarify the current arrangements for the annual review process.

Objectives and Outcomes:

- To know and understand current performance management regulations and guidance
- To be confident in fulfilling your performance management reviewer role
- To understand the links between performance management, school development planning, professional development and school improvement
- To explore future developments around performance management

Other information:

- It would be useful for delegates to bring along a copy of the key objectives from their school improvement plan

Cost:

Norfolk LA Maintained Schools: £90 **External Clients:** £100

PIPP Schools: This course is available through the PIPP package; if you have purchased a PIPP then you have pre-paid for a set number of places on PIPP courses; do not miss your opportunity to book.

Alternatively, schools are able to purchase this course via a pay as you go contract at a more local venue – please use the contact below for details.
