

## Year 1 phonics screening test

### Year 1 phonics screening results

The phonics screening check is a new statutory assessment for all children in year 1, and it will take place during the week commencing 18<sup>th</sup> June 2012. For guidance, see Assessment and Reporting Arrangements, and scroll down to “Associated Resources” > Assessment and reporting arrangements: Year 1 phonics screening check 2012 at:

<http://www.education.gov.uk/schools/teachingandlearning/assessment/a00197251/assessment-and-reporting-arrangements>.

### YEAR 1 PHONICS SUBMISSION DEADLINE

Schools with Year 1 pupils are asked to submit their phonics screening results **before Friday 6<sup>th</sup> July**. Please note that this deadline is very near the end of term, and does not allow much time for the Information Team to chase up late submissions. If you miss the deadline you may find that your RAISEonline report in the Autumn Term reports your results as “zero”. To avoid this, please submit your data before 6<sup>th</sup> July.

### YEAR 1 PHONICS SUBMISSION PROCESS

- (1) Schools are required to enter their Year 1 phonics screening results into their MIS (SIMS or other).
- (2) Once complete, and **before Friday 6<sup>th</sup> July (early returns are encouraged)** the data should be submitted to the Information Team, via Anycomms. **Please note you will need to upload your data; your school MIS (SIMS or other) does not automatically “send” the file to Anycomms.**
