

Financing Your School

Description

This course focuses on the way that schools within Norfolk are funded by formula and how schools may be able to generate additional income streams to assist in the delivery of education.

Who Should Attend?

This course is ideal for Headteachers, Deputies or Business Managers with little or no experience of school finance.

Content

- Understanding Norfolk's Funding Model
- Linking strategic planning with generating income
- Identifying additional income streams
- Reviewing your school's income related policies
- Using Norfolk's Shared Use of School Premises Policy
- Writing off bad debts

Duration

Half Day 09:00 - 12:00
