

There are plenty of good reasons to start a FILMCLUB in your school, but sometimes it's good to have a taster before fully committing.

That's why we're hosting **FILMCLUB After Hours in Norwich** — a chance for potential club leaders to get together and experience the free services we have to offer. Here are the details you need:

**Date: Tuesday 18<sup>th</sup> June 2013 Location: Cinema City, St Andrews Street, Norwich, NR2 4AD**

**Time: 17.30pm-20.30pm (meeting 17:30 at the Café Bar)**

At this **free event** you'll hear from current FILMCLUB leaders about how rewarding running a FILMCLUB can be, as well as tips and advice on learning through film. There'll be canapés, a bar and a screening of a short film. You'll also get to meet your Schools Support Coordinator, who will be your first point of contact if you start running your own club.

We also run bespoke **PRU** and **SEN** programmes, so wherever you teach, FILMCLUB has something to offer you and your students.

Due to the popularity of these events, please get in touch ASAP to secure your places, call: **020 7288 4520**, or email:
