

Teachers' Drop-in Day at Bridewell Museum

Find out about events for Schools at Bridewell Museum

Wednesday 21 August, 10.30am - 2pm

The Bridewell has been home to the first mayor of Norwich, a prison, a tobacco warehouse and a shoe factory... Now it offers a captivating look at Norwich life up to the present day.

Listen to local stories and find out what made Norwich the second city in England for over 200 years. Explore the industries and trades that made the city wealthy. Discover the importance of shoes, mustard, chocolate and wire netting, and find out how the city has changed over time.

We are developing our events programme for schools - find out what's on offer and meet a member of the Learning Team.
