Making out-of-school childcare more affordable

Did you know that you can use childcare vouchers for breakfast clubs and after-school childcare, for children up to age 15? As long as your childcare provider is registered with Ofsted or an equivalent authority, you could save a packet simply by paying them with childcare vouchers instead of cash.

Childcare vouchers can save each parent over **£900*** a year, and both parents can take part to enjoy double the savings.

If you haven't yet joined your employer's childcare voucher scheme, you can sign up today at www.KiddiVouchers.com or by phone on **0800 612 9015**. You'll need to quote scheme number **S987817V** and have a payslip to hand.

From 2015, childcare vouchers will be aimed at under 5's but if you sign up now you will have an ongoing right to use childcare vouchers for children up to age 15!
