

# Autism Seminars for Families

## Sensory Needs

For parents of children aged up to 16

### About the seminar

Sensory Needs is one of the *Autism Seminars for Families* which provides information and advice to parents and carers of children and young people with autism.

### The seminar will help families to:

- > consider the different sensory systems and how they work together
- > examine how sensory information may be processed differently
- > discuss how children with autism may have different sensory experiences
- > share strategies and approaches to help with sensory needs.

### Seminar cost

Families can book two places on a 'Sensory Needs' seminar for \_\_\_\_\_ which includes a full resource pack of useful information, advice and support guidelines. This seminar is delivered by a seminar facilitator using materials they have bought from The National Autistic Society.

### Book a place

Please complete and return the attached application form or contact the Seminar Facilitator below for more information.
