Jewish Workshops

Strategies for teaching Judaism KS 1

A practical workshop for specialists and non specialists

Tuesday 4 March 2014 (Suffolk schools)

Tuesday 11 March 2014 (Norfolk schools)

Whole day INSET for teachers and support staff
at Norwich Synagogue

Bring the Agreed Syllabus to life with practical activities

Learn more about Jewish customs and practice

Course aims:

- Develop awareness of the Jewish festival cycle; compare and contrast to the Christian calendar
- Learn more about the items in a school Jewish resource box and explore ideas for using them
- Experience first-hand a simulation of the Jewish Sabbath
- Try out craft activities, Jewish singing and dancing
- See the inside of a synagogue
- Try speaking and writing Hebrew
- Take away resources to use for teaching sessions in school

"Thank you for an informative, interesting and fun day...and a nice lunch"

"Well worth doing, would love similar for other religions"

Comments from recent INSET
