Jewish Workshops

Strategies for teaching Judaism KS 2

A practical workshop for specialists and non specialists

Tuesday 6 May 2014 (Suffolk schools)

Tuesday 13 May 2014 (Norfolk schools)

Whole day INSET for teachers and support staff
at Norwich Synagogue

Bring the Agreed Syllabus to life with practical activities

Learn more about Jewish customs and practice

Course aims:

- Learn more about Jewish lifecycle events including bar mitzvah, weddings and customs surrounding death
- Explore the festival of Passover in depth and experience a Passover seder
- Consider the themes of freedom and persecution
- Discover how the synagogue is used by the community
- Try out craft activities, Jewish singing and dancing
- Try speaking and writing Hebrew
- Take away resources to use for teaching sessions in school

"Thank you for an informative, interesting and fun day...and a nice lunch"

"Well worth doing, would love similar for other religions"
