

FREE autism workshops for professionals and staff supporting children and young with autism in short breaks or after school activities and clubs

Dear all

Please see below for some free workshops in autism. Flyers are attached. Please share with your colleagues who work with children/young people with autism for short breaks or within universal services as per below.

Invitation to attend FREE training on Autism for specialist short break providers and universal providers of activities out of school hours

Including short break providers, youth groups, martial arts clubs, brownies, scouts, cubs, guides, swimming clubs, after school clubs, etc.

Q. Do you have a child / young person with an Autistic Spectrum Disorder (ASD) attending your club/group/after school activity? *If the answer is “Yes” the Understanding & Responding to Autism and the Advanced Level training are both relevant for you.*

Q. Are you ready to have a child / young person with an Autistic Spectrum Disorder (ASD) join your club/group/after school activity? *If the answer is “No” the Understanding & Responding to Autism training is relevant for you.*

Statistics state that there are 1 in 100 children with an Autistic Spectrum Disorder (ASD) so there is a high possibility that you may have a child / young person join your group / club in the future. Make sure you are ready to include these children & young people in your group / club etc.

Norfolk County Council Children with Disabilities Team has commissioned me to provide some **FREE workshops on Understanding & Responding to Autism** and follow-on **Advanced level training in Autism**.

As someone / an organisation providing children and / or young people with activities out of school time you are invited to attend these workshops. You don't need to currently have a child / young person in your group / club to attend the Understanding & Responding to Autism workshop.

For more information please see the attached flyers.

If you are not sure if this training would be relevant to you please email: michellemouldimpactbookings@yahoo.com providing a contact number and someone will be happy to contact you to discuss.

Enquiries or to request a booking form please email: michellemouldimpactbookings@yahoo.com
