

Challenging Homophobia Assembly

The materials and content will be to be adapted for individual use. It is intended that this presentation is student led.

Plan:

As students enter to have "LGBT celebrities" on a loop with a suitable piece of music as student come into the assembly hall.

Switch to "Challenging Homophobia"

The slides are shown but the notes will be read attached to each slide are read out by students making it clear that the comments are from real people.

Additional information can be read by a member of staff, or again by students.
