

New webinar series

FFT are launching a new series of free online webinars, commencing on **Monday 9 February, 2015.**

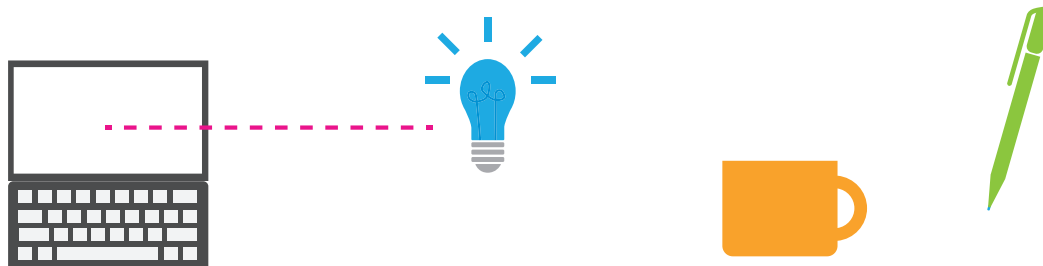

Each webinar will consist of an overview of a topic, with the opportunity to ask questions and get answers from the presenter and the webinar host. The presenter will be a specialist in the topic covered.

The webinars will be live, and last no more than half an hour. Please note that these are online sessions only, which you can log into without having to travel, it is not possible to attend the session in person.
