

Norfolk Safeguarding Children Board

Right Service, Right Time, Right Duration - The Launch of the Norfolk Threshold Guide

Target Audience:

The workshops are open to staff at all levels.

Aims and objectives of the events:

- **Ensure families access the right services at the right time and for the right duration**
- **Establish a shared responsibility for keeping Norfolk children safe**
- **Increase confidence in having difficult conversations**
- **Know when to share information**
- **Understand the roles of other professionals in working with families**

See over for dates and venues

NB: Delegates must attend the workshop being held in the locality in which they work
