INSIGHT to Autism - Visual Support

At: The POD, Colman Junior School, South Park Avenue, Norwich NR4 7AU

Date: Tuesday 3rd July 2018

Time: 10:00 - 13:00

**(registration from 09:30 and the option to bring your own lunch
and stay until 14:00 to chat with other parents and the trainer)**

Anne Ebbage from Autism Anglia will deliver this practical workshop for parents.

The session aims to explain why visual support is often beneficial for children who have autism,
when and how to use and how to put the visuals together.

This will be an opportunity to develop your own visual aid to take home
with you to try with your son or daughter.

To book your free place(s) on this session click on this link:
