

If you are older than 11 years old and younger than 26 years old and have a special educational need or disability (SEND)

Then the Your Voice forum is a way for you to help children and young people who live in Norfolk get the right services and support.

The Your Voice forum has a meeting twice every term.

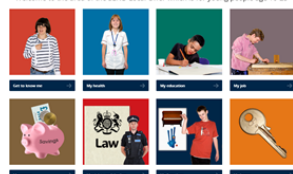

At the first meeting, we ask you your views on things like

- Education
- Getting a job
- Keeping healthy
- Being independent
- Enjoying good social and leisure activities
- Finding somewhere to live.

Local Offer for children and young people

Welcome to the area of the SEND Local Offer which is for young people age 10-25

At the second meeting, the Local Offer team will tell you how we have changed the SEND Local Offer for children and young people's website based on what you told us.

The College
of West Anglia

The last meeting of the Your Voice forum was held at the College of West Anglia in King's Lynn.

27 young people came to the meeting and talked about what they thought they needed to know about places to learn.

They have given the Local Offer Team loads of good ideas, and we will meet again in a months time to discuss how we can provide this information.

You can also help the Local Offer Team by telling us about your views on support you have had.

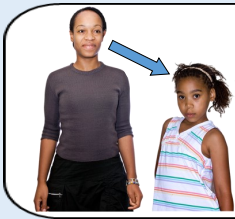

This support could be at school, college, apprenticeship or day centre.

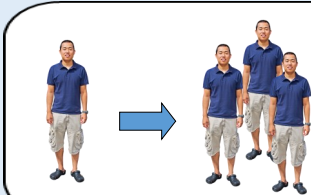

Tell us about the best support you have had

Tell us about any changes you would like made to how you are supported

Tell us about any support that would have been better if it had started sooner

Tell us about any support that would have been better if there had been more of it

Tell us how you think Norfolk County Council can support you better

How could health workers, like your doctor, support you better?

How could your school, college, apprenticeship or day centre support you better?

How old are you?

What is the first part of your postcode?
