

**We will be asking young people in and leaving care in Norfolk how they feel about many different aspects of their lives**

**Coming soon!! Bright Spots Survey goes live 03/02/2020!! More information to follow shortly**

**Bright spot from last years survey  
89% of young people in Norfolk said they felt safe in their placement compared to the 75% that felt totally safe at home in the general population**

**Not so bright spot from last years survey  
Children 8-11 years, in Norfolk wrote about wanting more or longer contact with their families.**
