On Young Carers Awareness Day, we are launching our brand new young carers awareness-raising resource and animation, specifically aimed to use with 5-7 year olds to help them understand more about who young carers are.

- **Get your copy of our new resource to help schools raise awareness of young carers amongst infant-aged pupils.**
- **Be one of the first to see our brand new animation which is voiced by some of our young carers.**
- **Meet the Caring Together team and find out how to become recognised as carer-friendly through our Carer Friendly Tick Award scheme.**
- **Hear first-hand from staff and students at Magdalen Gates Primary School about the work they are doing to support their young carers.**
