MUSIC SERVICE TEACHING PLANNER 2021/22	24

Following on from what can only be described as the most bizarre Academic Year we have ever experienced in our lifetime, Norfolk Music Service would like to take this opportunity to reaffirm our position as the provider of choice when it comes to offering high quality musical experiences for children and young people throughout the county and beyond. Our unrivalled bespoke support programme, accessible to all settings across Norfolk, ensures that together we are able to offer the best music education possible through our strong partnership working ethic and overall expertise in the field.

As in the previous Academic Year, all primary & junior schools can access a fully funded term of whole class ensemble provision alongside some newly created digital resources, CPD programme and a free in-school consultation to help you make the most of all available opportunities.

Our offer here in Norfolk is truly outstanding and whilst the periods of lockdown have proved challenging, they have also offered a wealth of opportunity for us to really look at our digital offer and blended learning approach. Academic Year 2021/22 looks set to be super exciting with many new models of delivery emerging and opportunities galore to augment and support music-making in your setting as a whole.

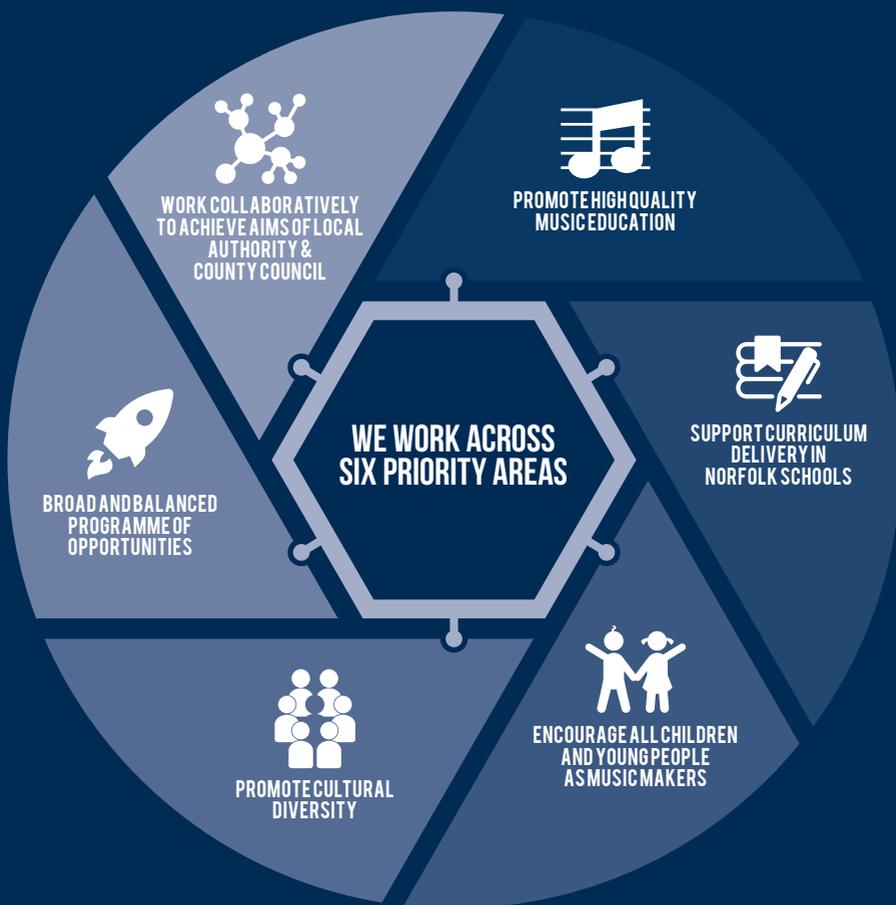

We hope that you take a moment to browse our information booklet and are inspired by our wealth of added-value services alongside our programme of year-round events offering even more ways to become involved in music making in Norfolk.

WHOLE CLASS ENSEMBLE TEACHING

A core requirement of the National Plan for Music Education is that every child should have the opportunity to learn a musical instrument through Whole Class Ensemble Teaching (WCET).

WCET projects are led by high-quality music teachers who will develop musical skills that can be applied in National Curriculum music lessons. For some this may be the start of a life-long hobby or, indeed, the first step on a rewarding career path. The Music Service offers 1 full term of WCET for Year 4s in every primary & junior school free of charge for schools signed up to a Hub Subscription Package 2021/22 (see page 22).

*Please note these lessons will be offered to schools based on availability of teachers in your area. Requests can not be made for specific times, teachers or terms in the academic year

A term (10 x 30 minute) of WCET online is available on Norfolk's Hub tab hosted by Charanga.

Charges: One term free of charge for year 4 classes

ADDITIONAL OFFER:

Annualised discount is available when booking an Academic Year of Whole Class Ensemble Tuition (WCET) in advance. This package offers 1 hour per week of tuition at the reduced rate of £920 over 33 weeks (a saving of £200 per annum) and will be billed upfront as a single payment. Please note that all WCET lessons must be supported by either a class teacher or TA for the duration of the programme and cannot be utilised as a PPA solution.

- ▶ Provide opportunities to play in ensembles and to perform from an early stage.
- ▶ Ensure that clear progression routes are available and affordable to all young people.
