

Safe Journey Ahead – Road Safety Teacher Training Project

Norfolk County Council Road Safety Team has been successful in attaining a grant bid from the Road Safety Trust, which will enable 100 schools to receive the Safe Journey Ahead – Road Safety Teacher Training for EYFS and KS1 pupils.

For those who are part of the project, each delegate will receive three, one to one support sessions with a Road Safety expert. To offer support in embedding the life skill of Road Safety to your school and your pupils.

The aim of this project is to trial a new and innovative way to teach Road Safety at EYFS and KS1.

Course details

The session is delivered live online using Microsoft Teams and runs for approximately 90-120 minutes.

This teacher training session will cover:

- What is Road Safety? How does it fit into a school setting?
- Road Safety and the curriculum
- Exploring Road Safety resources
- Planning Road Safety for your school

There are three follow up sessions, with a Road Safety expert who can offer support and guidance. These sessions will be presented at 2 months, 6 months and 12 months after the initial training.

Learning objectives

On completion of this session, you will -

- Be able to plan and deliver Road Safety interventions aimed at the needs of your school and pupils
- Have an increased knowledge on how to deliver the life skills of road safety to your pupils and where to find useful resources
- How to embed Road Safety into the curriculum

Who is it for?

This training is aimed at teachers, teaching assistants, school governors or any school member of staff who will be leading on Road Safety in your school at EYFS and/or KS1.
