

Curriculum Training Programmes

This autumn term, The Curriculum Team are offering a range of programmes, delivered by our highly-experienced advisers, to enhance the quality of your teaching and accelerate achievement for your learners. Each programme, comprising a mix of online and face-to-face sessions and briefings, will usually cost £250 per delegate to attend. We are delighted to be able to provide a delegate space on one programme fully funded to every Norfolk Local Authority Maintained school.

English programmes

Securing the Foundations for Successful Reading Comprehension

Improve reading outcomes for pupils from reception through to Year 2 by developing teaching practice to enable pupils to be strategic and successful readers.

Securing Solid Foundations for Writing

Explore how you can lay the foundations for writing in the Early Years and Year 1 and how these support improved writing outcomes at the end of Year 2.

Write Like an Expert: Improving Non-Fiction

Improve non-fiction writing outcomes for more able writers in Years 5 and 6.

Supporting Struggling Writers in Years 5 and 6

Improve writing outcomes for struggling writers in Years 5 and 6 by implementing practical strategies and techniques.

“Excellent course with lots of useful ideas.”

Mathematics programmes

Effective Mathematics in the Early Years

Explore effective teaching strategies to support the development of early mathematical understanding within the Early Years Foundation Stage.

Developing Calculations in Years 1 and 2 Developing Calculations in Years 3 and 4 Developing Calculations in Years 5 and 6

Explore the progression of mental and written calculations for your chosen Year group.

Curriculum Review and Support

Improving Your Curriculum

Improve subject leaders skills with the support of resources to evaluate and enhance current curriculum provision with a focus on progression, sequencing, expectations and links across the curriculum.

“Keep doing what you are doing. I really enjoy these sessions and get so much from them. Your support has been amazing too, so thank you! I always have so much to take away and implement into school straight away.”

In addition, we are providing fully-funded English and Mathematics Subject Leadership Briefings and Curriculum Review and Support – Subject Leader Support meetings to all Norfolk Schools, both Maintained and Non-Maintained. Our Accredited Online safety action planning and CEOP training is also available to all Norfolk schools for £150. Please also see below for information about the 14-19 Subject Network Meetings and Assessment Training.

Subject Leadership Briefings

English Subject Leadership Briefings

Keep up to date with an ever-changing educational landscape and the latest resources available to support oracy, reading and writing in the classroom.

Primary Mathematics Leadership Briefings

A series of six half-termly briefings across the academic year which will focus on updates in mathematics education including, DfE, STA, Ofsted, EEF, Maths Hubs and Subject Associations.

Online Safety

Accredited Online safety action planning and CEOP training - £150.00

This course is designed to support high-quality leadership and management of online safety, including resources to support curriculum teaching of online safety across all key stages. This will cover the latest updates from Keeping Children Safe in Education (September 2021).

14-19 Subject Network Meetings

A unique opportunity which brings together Norfolk teachers to support each other and share ideas. Meetings are chaired by an experienced and knowledgeable teacher and will focus on:

- Discussing the latest Assessment and Exam Board guidance
- Sharing Teacher PD + Student Opportunities locally and nationally
- Providing support and sharing ideas on colleagues' priorities, plus discussions on any other topics pertinent to the specific subject.

For more information please email:

14-19subjects@norfolk.gov.uk

Curriculum Review and Support Meetings

Subject Leader Support Meetings - available for: Music, History, Geography, RE and Art and Design

Collaborate with your peers, share information and develop as a subject leader. Facilitated meetings will support you in assessing how well the subject is led and taught in your school.

"Always very informative – lots of ways to date info. Networking is good – to be able to discuss Maths with others – sharing ideas etc."

Assessment Training

The complete training package includes:

- Headteacher briefings
- Statutory Assessment Network Packages to take teachers through all they need to know about the statutory teacher assessment frameworks for Reception, Year 2 and Year 6 and testing for Year 2 and Year 6
- Early Years Assessment training consisting of Revised EYFS Teacher Forum, Making Starting Point Assessments, Embedding Assessment and Agreement Trialling events in the summer term
- Discrete training for the Engagement Model will run again in the autumn term
- Resources will be published on the Statutory Assessment pages of the Norfolk Schools website, to give clarity and support to school leaders.
