

50

things to do

before you're
five

50 low or no cost activities for you to do in Norfolk with your baby, toddler and pre-schooler before they turn 5.

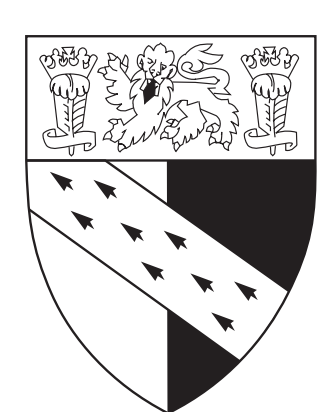

Download the free 50 Things app and start ticking activities off your list today!

From puddle jumping and outdoor art to posting letters and den building. These activities will help your little one's brain develop, get them moving more and keep them entertained. All are key skills in developing early language and reading skills.

Download the app today and get started!
