

All About the Design!

Young People's Website Creation Workshop

Are you interested in content creation, digital media, web creation or film and animation? Come and work with us on the creation of a Norfolk & Waveney young person's self-care website

What will the day involve?

Mini Workshops

Fun & Creativity

Web content & Design

Film & Animation

We will run some mini workshops so you can learn about what is involved in the different areas of web content creation and how you can be involved in helping create the new website. Including copy writing, film and animation, iconography and how these elements get turned into web content!

You will also find out how you can be involved in future workshops, training and creating content.

Thursday 28th July 10am - 3pm
Venue to be confirmed

To book the workshop please email Michelle Walker on michelle.walker6@nhs.net or call/text 07783885532

Lunch and refreshments provided!

We can support with transport to the workshop and home or cover any travel costs.
