

## **RE: Sikh Education Workshops**

**Harkirat Singh, a CRB checked Sikh Education Officer from Northampton, has been hosting school visits to the local Gurdwara for many years now.**

**With budget constraints, and the understanding that it may not be viable for Norfolk Schools to visit a Gurdwara, Harkirat is happy to visit the schools and offer Sikh Education workshops, lead assemblies and bring the whole Sikh Way of Life to your doorstep in an interesting and practical manner.**

**Recent workshop requests have included turban tying demonstrations, The 5 K's, Harmonium musical workshops, Question-time type sessions, and a virtual tour of the Gurdwara to name a few ; Special Needs Schools have also been catered by incorporating sensory based activities and traditional snack tasting sessions !**

**Feedback on "Mr Singh" (as he known by the children) has been excellent to date ; The Sikh Education Service hopes to continue into Norfolk Schools with this reputation intact !**

**A suggested contribution towards costs is £195 for a full day event, but Harkirat is happy to discuss this with each school, and tailor the visit to meet the schools needs. If two nearby schools, for example, wish to share the resource for a half day each, then this can be agreed.**

**To book, or for further information, please contact Mr Singh directly on 07968 143546 or by email [mrharkiratsingh@sky.com](mailto:mrharkiratsingh@sky.com)**
