

Speech and Language Therapy Sprowston Cluster Inset training At Sprowston Community Academy

Sessions cost £300 each, cost to be divided by the number of schools attending.
Book as stand alone sessions or as a complete package.

A series of six EYFS/KS1 twilight sessions to develop your knowledge and understanding of general strategies that can be used to support different areas of SLCN in the classroom.

Session 1 – ‘Building the Foundations’

Explore the importance of attention, listening and play and how this is linked to language development. Discover how the activities you provide in the classroom and the strategies you use can help to develop the foundations for good communication skills.

Wednesday 30th October 2019 4.15-5.45pm

Session 2 – ‘Developing Understanding’

Before we can use a word, we need to understand it. Learn ways that we can assess comprehension difficulties and strategies to support children’s understanding of language.

Wednesday 4th March 2020 4.15-5.45pm

Session 3 – ‘Get them talking’

Vocabulary skills are a key indicator of a child’s learning levels at the end of KS2. Discover new and innovative ways of bringing vocabulary learning into everyday activities.

Wednesday 13th May 2020 4.15-5.45pm

Session 4 – ‘Speaking Clearly’ (speech sounds)

Explore the link between phonological awareness and literacy. Learn how to develop children’s phonological awareness to support their speech sound development and their literacy skills

Wednesday 4th November 2020 4.14-5.45pm

Session 5 – ‘Get the environment right’

A communication friendly environment encourages and promotes good communication. Our learning environments can make a difference to our children’s communication skills. Discover how small changes can make big differences

Wednesday 3rd March 2021 4.14-5.45pm

Session 6 – Any other questions?

A flexible session to cover any topics that arise during the course of the previous sessions. An opportunity for Q & As.

Wednesday 12th May 2021 4.14-5.45pm
