

Start the school year with a special trip to Fairhaven Woodland and Water Garden!

The new school year is starting: full of promise and opportunities.

Here at Fairhaven Woodland and Water Garden, Lee and the education team, can offer a glorious autumn visit that could get your year started in wonderful technicolour!

We can offer:

- Team bonding activities
- Creative writing
- Fantastic creative opportunities with a range of natural art
- Seasonal learning – seeds, seed dispersal, life-cycles, food chains (science curriculum).
- Mindfulness and well-being learning. Nature is a wonderful, free resource for your children to help them cope with life's ups and downs.

Our friendly and experienced team can tailor your visit to the needs of your class. Just ring to have a chat.

At £5 per child this could be a magical way to start the year!

Email Lee, the Education and Wildlife Officer education@fairhavengarden.co.uk or ring (01603) 270449

We look forward to hearing from you!
