Primary Offers in Brief

NEW: Early Years Foundation Stage

Secure best practice and build firm foundations for all children by the end of Reception Year

This Work Group is aimed at schools who are currently developing mastery across their school. Practitioners and senior leaders will develop their understanding as to how Early Years Best Practice feeds into a teaching for mastery approach and supports progression through the school.

Primary Mastery Readiness

Create transformative leadership and culture that promotes a mastery approach to primary mathematics teaching and learning

Mastery Readiness is the first year of a 4-year journey for schools to develop the vital skills and practices to build a sustainable, mastery approach to mathematics teaching and learning. The programme offers a blended model of CPD through collaborative, work group sessions and bespoke 1:1 school visits to work on priorities.

NEW: Subject Knowledge for Teaching Mathematics

In this Work Group, teachers and teaching assistants will be supported in developing specialist knowledge for teaching mathematics, thus enabling them to understand, teach and support pupils more effectively in Maths in the classroom. The Work Group is available for:

- EYFS Teachers
- Primary Teachers
- Primary Teaching Assistants
