

# Norfolk Steps Step On Service Tutor Training

Become a Steps Service Tutor in your setting to train and support colleagues in the Step On curriculum.

## Course Outline

Investing in this 3 day course will equip you with the skills and knowledge of the Step On curriculum to train your colleagues, maintain their Step On certification and to continually influence practice within your own context. This course will be grounded in the Steps principles of developing therapeutic approaches to behaviour and will be delivered through a practical, interactive approach.

## By the end of the course participants will:-

- understand the theoretical principles that underpin the Step On curriculum
- have knowledge of how to apply a range of de-escalation strategies
- know how to use and demonstrate safe use of physical intervention
- be confident in delivering the Step On curriculum in their own setting

## Important Information:

Norfolk Steps Service Tutors are certificated to be a resource for the setting in which they work. Service tutors are not certified to lead training or consultancy on a voluntary or paid basis outside of their school or setting.

To maintain certification delegates will be required to attend a one day refresher each year at an additional cost.

Two delegates from each school is advisable.

It is strongly advised that managers and delegates are conversant with the Step On principles and approach before booking onto Service Tutor Training.
