WHAT'S NEW?

WE HAVE A BRAND NEW BROCHURE

See our new brochure for new programmes and new aspects of existing programmes. Exciting additions of Pilgrimage, Wellbeing, links with Julian of Norwich, Bible stories and opportunities to explore creative and expressive arts in the Cathedral. Normal prices are FROZEN at £4.50 per pupil for a full day and £3.90 per pupil for a half day. These may vary for one-off or specific programmes and events.

BOOK NOW FOR: CHRISTMAS 2022

Due to the pandemic it has been normal for 'last minute' bookings, but just a reminder to book early for these visits as places can get booked up very quickly for full or half-day visits during November and December.

A Christmas journey meeting characters from the story and learning about the importance of Advent and Christmas for Christians.

CONTENTS

- 01 NEW BROCHURE + BOOK FOR CHRISTMAS
- 02 AUTUMN EVENTS
- 03 SCIENCE FESTIVAL 2023 + ORGAN PROJECT
- 04 DISCOVER MORE

LETTERS FOR CREATION

CLIMATE INJUSTICE SCHOOLS DAYS

Throughout September and into early October we are offering special themed days to explore creation and climate injustice.

Partnering with Christian Aid, we will look at climate injustice as a global issue, as well as the response - a vision of hope.

Using the Cathedral as inspiration, we will look at perspectives on creation and creation care and the children will make artwork as a response to these issues.

Book now: Full day £4.50 per pupil

Half day £3.90 per pupil

A DAY TO REMEMBER

THURSDAY 10 NOVEMBER 2022

Remembrance is an important time to mark both locally and nationally.

We also have the key figure of Edith Cavell to remember in Norwich Cathedral.

This day will focus on her story, aspects of remembrance in the Cathedral building and a Christian perspective on remembrance and peace-keeping.

Workshops and activities designed for KS2.

Book now: Full day £4.50 per pupil

Half day £3.90 per pupil

IN:SPIRE - CREATIVE ART DAY FOR SECONDARY PUPILS

We are always delighted to welcome students to the Cathedral to draw, paint and take photographs. It is an incredible source of inspiration and we want to encourage that. We are therefore hosting

IN:SPIRE
THURSDAY 6 OCTOBER
10AM-2PM

A day themed around the beauty, art and architecture of the Cathedral and the opportunity for students to explore and respond to that. There will be creative opportunities for art and photography, as well as group tours to set the building in context.

Book now: Full day £4.50 per pupil
Half day £3.90 per pupil

SACRED SCIENCE

PART OF THE NORWICH SCIENCE FESTIVAL

16 JANUARY - 3 FEBRUARY 2023

The Norwich Science Festival is back and we are delighted to be part of it once more.

Come and join us for our exploration of science in the Cathedral.

Sacred Science uses this amazing space to look at:

Sound - discover how sound travels, how it is made and certain types of sounds, e.g. the organ and singing which are important here. Have a go at making your own musical instrument.

Light - explore light and its properties by investigating stained-glass windows.

Forces - use the building of the Cathedral itself to look at forces and experience building an arch.

Materials - find out about materials used for the Cathedral building and test out some of their properties.

Book now: Full day £4.50 per pupil

Half day £3.90 per pupil

ORGAN REBUILD

AND WHAT IT MEANS FOR SCHOOL VISITS

17 APRIL - 21 JULY 2023

The Norwich Cathedral organ is being rebuilt which means school visits will look a bit different during the period above. However there are still a great number of options of how we can enhance your learning about Norwich Cathedral, history, RE, science and much more.

You will still be able to visit the site and take part in learning, but not within the Cathedral itself. For example, you will still be able to 'Be a Monk' and visit the places the monks lived and worked.

We can bring some of our most popular programmes to you in your school - e.g. meet Matron Edith Cavell and hear her story.

We will be offering pilgrimage programmes in the city (to the Julian Shrine and learning about Julian of Norwich) and to your school as part of a journey along the Walsingham Way.

There will be a few special opportunities for Diocesan Schools, including a day for year 6 pupils on Monday 3 July. Save the date!

Find out more by reading our special brochure which has been sent to all schools and is on our website www.cathedral.org.uk
