LFTM is a 10 month, National College professional development programme for middle leaders in primary, secondary and special schools. Typical participants include subject leaders, subject coordinators, heads of year/house/departments, pastoral co-ordinators, SENCOs and many others. All schools are eligible and ELC welcomes applications from existing school networks or individual schools.

The programme includes:

- **Development days** – face-to-face training days focusing on leadership skills
- **Online communities and resources** – for the extension of learning, sharing of ideas and peer support.
- A **School Leadership Project** which allows the development of new expertise in your school.

Come and find out more at our free taster sessions, where we will guide your school on how to join the programme.

To join us at a taster session
call Lisa Fairweather on 01223 499223
email: lftm@elc-cambridge.org

"Excellent opportunity to reflect on my strengths and areas for development as a leader."
Subject Leader, Essex

Register your school's interest in LFTM to find out about our exciting competition to win £1,000 worth of training! See ELC website for details.
