## THEATRE IN EDUCATION

Following on from the huge success of our previous seasonal shows, 'Silent Night' and 'A Christmas Tale', we are delighted to present our new festive adventure for Primary Schools. Using live theatre, and our own unique blend of music, action and fun, *Angels' Delight!* has been devised to work in conjunction with the Key Stage 1 & 2 Religious Education curriculum.

## THE STORY

### There's great excitement in Heaven...

The Son of God is about to be born on Earth as a little baby. Unfortunately, the job of making all the arrangements has fallen to Gabe, Mikey and Phin - the most unlikely team of angels in all creation.

There are stars to be guided, shepherds and kings to be gathered, a donkey to be re-invented... and, lurking about, a certain somebody who's not too keen on the whole project.

Oh, and somebody forgot to book the hotel room!

Mayhem, mystery and magic are the order of the day, as the whole of creation holds its breath for what promises to be the most exciting event in history.

If it happens...
