

# MA in Early Childhood Studies

Study period: 2-4 years, part-time

Start date: September 2010

The first five years of a child's life are the most important in their development when they learn to build relationships and to deal with the world around them.

The MA in Early Childhood Studies, the first of its kind in the region, has been developed to meet the needs of a diverse group of people including early years practitioners, teachers, local authority advisors and Children's Services advisors.

# MA in Advanced Educational Practice

**Study period: 3 years, part-time**

**Start date: September 2010**

This Master of Arts course offers those working in an educational setting the opportunity to reflect on their practice with the intention of deepening understanding and developing ideas.

The programme aims to build on participants' existing interests and expertise within a stimulating and challenging environment in which to discuss and analyse work place practice.

The School of Education and Lifelong Learning offers a 4 year part-time doctoral level degree

# Doctorate in Education (EdD)

The Doctorate in Education (EdD) has been designed to meet the needs of professionals working in areas related to education, training and development who can draw on their everyday practice and work contexts to work towards a doctorate.

## Make a difference.

- ✦ Do you want to investigate educational, social, professional or organisational issues?
- ✦ Would you like to acquire skills as an independent researcher, to design and to conduct your own research?
- ✦ Would you like to understand better, issues related to your everyday work experience and context?
- ✦ Is there a problem or puzzle to research for your organisation?

For further enquiries and discussion please contact Dr Barbara Ridley, email: [b.ridley@uea.ac.uk](mailto:b.ridley@uea.ac.uk)
