

# Neil Paris

## Creative movement and dance

For Foundation Stage, KS1 and KS2

- explore science and the human body
- develop and enhance writing
- deliver maths and science
- investigate emotional literacy
- research and develop imaginative responses
- explore and develop links between early-years play activity and developmental movement
- develop verbal and written language skills

Neil Paris is a dance and theatre artist from Norfolk. He works as a performer, director and creative educator and researcher. He has performed around the world with award-winning dance theatre company Fabulous Beast, associate artists at Barbican Centre London and regularly leads creative projects and workshops for Barbican Creative Learning.
