

The London 2012 Get Set Education Programme

The poster below is soon to be distributed to all Norfolk Schools which has been designed to promote participation by schools, pupils and their communities in the official London 2012 education programme, Get Set.

Registration will give you access to a wide range of curriculum resources and other opportunities to engage your pupils in the excitement of the lead up to the London 2012 Games, including a 'Tickets for Schools' scheme available exclusively to Get Set registered schools.

We currently have almost 70 per cent of Norfolk schools registered to Get Set and are aiming high! Help us to ensure that 100% of Norfolk schools are registered so that all our pupils can benefit from this great resource

Register your school with Get Set by going to:

The Seven Olympic and Paralympic values are:

Taking part in the virtual Olympics inspired me to overcome lifelong fears

"Being involved in Just Imagine, the 2012 project which used virtual technology to make it seem as if we were running in the Olympic Games, and meeting Paralympian Nathan Stephens, has changed my life. I am 13 now and I think it is important that I am able to be a normal person, and do things like everyone else. Now I have the confidence to conquer my fears - in fact, I have no more fears! I have become stronger and more determined to achieve in my life. I am now getting higher marks for effort in school. I used to give up easily, but now that is a thing of the past."

What will your class tell their grandchildren about the London 2012 Games?
