Hungate Medieval Art

FREE ENTRY

Hungate Medieval Art is pleased to announce that it is now opening its doors to the public for free! (Thurs-Sat 10-4) We are hoping that the public will find some respite from the bitter winter amongst Hungate Medieval Art's beautiful stained glass exhibitions. As well as the warming exhibitions there are the 'Tottington Pews' which are a testament to fine medieval wood carving and the beauty of the now redundant St Peter Hungate church itself- Which is housed by probably the most beautiful hammer beam roof in Norwich! Come and see for yourself before winter closing on the 18th December
