

Save the Whale Week

Schools can participate in the annual **Save the Whale Week** event, and earn a **WDCS Whale Diploma Award** at the same time.

The Whale Diploma is a fun, curriculum linked activity pack which teaches children about whales, whilst encouraging them to get actively involved in their protection.

How are Whale Diplomas awarded?

It's simple and its fun! To receive a Whale Diploma, children need to correctly answer all the questions in our Whale Quiz with the help of our fact sheets, and then carry out an activity that will help whale and dolphin conservation. For Save the Whale Week this would need to be a fundraising activity.

Save the Whale Week 2011 is running from the **2nd to 6th February** and is a great opportunity for children to have fun and learn about conservation. For further information and to download the diploma pack just go to the website www.savethewhale.org.uk. For fundraising materials please contact the WDCS Events Team on 01249 449500 or email events@wdcs.org.

To claim the award certificate please use the form at the back of the diploma pack and send to: WHALE DIPLOMA (STWW), WDCS, 38 ST PAUL STREET, CHIPPENHAM SN15 1LJ
