

Win a visit from one of the Official London 2012 mascots to your school!

SmallSteps4Life is inviting all primary and secondary schools to undertake a 4-week challenge as part of a competition. The prize will be a visit to the winning primary and the winning secondary school by one of the London 2012 mascots, Wenlock & Mandeville!

The competition will ask schools to design and undertake a 4-week challenge across one of the SmallSteps4Life themes: healthy eating, getting active and feeling good. This is an excellent opportunity for your school to take part in a London 2012-themed competition that will improve your pupils' health and wellbeing.

To find out more visit the SmallSteps4Life website:
