
PIPP: Embedding ICT within the Evolving Primary Curriculum

| Date | Time | Venue | Course Code | Event Ref. |
|-------------|---------------|--|--------------------|-------------------|
| 22/03/2011 | 09:15 - 16:00 | West Norfolk Professional Development Centre | EPPA5 | D |

Course Context/Audience:

This is a course for practitioners and curriculum leaders getting to grips with an evolving curriculum. Delegates may represent individual or groups of schools. It will look at the role of developing ICT capability across the curriculum, making the most of what is already available within schools. The course will offer ideas for embedding ICT into the evolving primary curriculum.

Objectives:

By the end of this course, participants will:

- understand clearly what is meant by ICT capability
- have the opportunity to review some elements of the Self Review Framework
- gain an understanding of the important role that the Virtual Learning Environment can offer
- be able to recognise ICT opportunities within the six areas of learning
- have identified areas for development in their school or cluster.

Course Leader(s): Sheila Denny/Jill Duman

Phase: Primary + Special

Fee: £119.00 PIPP package members (no charge if full allocation has not been used)
£140.00 all other schools **Closing Date: 19/03/2011**

Car Sharing: Within the Council we are trying hard to reduce our Carbon footprint and save resources by encouraging delegates to car share wherever possible. You may also wish to visit the liftshare website (www.liftshare.com) which is very useful for both routine and one off journeys.

How to book:

To apply for a place on this activity please email:
