North Norfolk Exhibition Project at Salhouse: Schools Workshop Programme 2011

Salhouse 11 *Ad Limina* Curated by Laura Williams 7th July – 7th August 2011

Are you interested in bringing a party of students from your school to visit our annual contemporary art exhibition in Salhouse Church and to participate in a FREE creative workshop?

Due to funding restrictions, we are only able to offer 4-5 workshops from the 6 possible options listed below. If you are interested in getting involved, please return this form to us as soon as possible and no later than **Friday 11th February**. Please supply your contact details and information about the group at the top, list your preferences from 1-6, and clearly indicate your available dates.

As demand for this programme is usually very high, we will be allocating workshops on a first-come-first-serve basis so we would urge you to return the form quickly to rosieglasgow@googlemail.com. We in turn will endeavour to accommodate your preferences and let you know as soon as we can, whether you have been allocated a workshop.

Please Note: Whilst the workshops are FREE, schools will be expected to provide their own transport and an appropriate number of teachers, teaching assistants and/or parents.
