### **Course Context/Audience:**

If you are an accredited or 'pre-assessed' Advanced Skills Teacher employed in an LA-funded post in Norfolk, this (free of charge) event is for you and forms part of your AST Professional Development programme. This is a morning session, however, you are invited to stay for lunch and then meet with your Link Adviser in the afternoon, after lunch finishes at 1.30 p.m.□

### **Objectives:**

The aims of these events are:-

- to explore current priorities and developments about which ASTs need to be well-informed.
- to enable ASTs to obtain, share and formulate ideas which will support them in their AST role and everyday practice.
- to provide opportunities to network with other ASTs.

The first focus of the day will be to discuss current models of deployment and to other more innovative ways in which ASTs could be used to support Norfolk schools.

The second focus will be to explore what we mean by creativity in our respective subject areas and to share examples. Please bring along ideas – if there is something you would specifically wish to share, please contact Adam Cooke at:- [adam.cooke@norfolk.gov.uk](mailto:adam.cooke@norfolk.gov.uk) in the first instance and after lunch, you may have the opportunity to meet with your LA link adviser.

**Course Leader/s:** Adam Cooke and Micky Harcourt-Heath

**Phase:** All schools

**Fee:** Free to schools

**Closing Date:** 18/03/2011

**Car Sharing:** Within the Council we are trying hard to reduce our Carbon footprint and save resources by encouraging delegates to car share wherever possible. You may also wish to visit the liftshare website ([www.liftshare.com](http://www.liftshare.com)) which is very useful for both routine and one off journeys.
