

## Emergency First Aid in Sport - Norvic

This new and bespoke course has been developed and designed in conjunction with Norvic First Aid Training. It is aimed at all adults involved with the delivery of physical education and school sport both within the curriculum and as part of the out of schools hour programme who are already First Aid Qualified. This days course extends their knowledge and applies it in a contextual way to the area of activity in which they are engaged.

The course will cover *Sports* First Aider skills. These include; emergency planning; basic life support; head, abdominal and chest injuries; bone, muscle and joint injuries; and more general ailments such as asthma and diabetes.

For this course delegate will need to wear suitable clothing and footwear for this hands-on training course.

### Course Details

**Date:** 26 May 2011

**Course Code:** ECS K4/A

**Venue:** The Norwich PDC, Woodside Road. Norwich NR7 9QL

**Cost:** £140

### *The Course objectives are to:*

- Support staff in dealing with PE / sports related incidents
- Guidance for implementing appropriate first aid treatment
- Advice on planning in a practical environment
- There will also be practical scenarios for colleagues to consider including 'reciprocal care agreements' when working with pupils off site

This course is highly relevant to any practitioner working with children and young people in PE and school sport. NPETCS Candidates are actively encouraged to attend.
