Norfolk LGBT History Month 2011 History's Inspirational LGBT Role Models

The Norfolk Community Cohesion Network and the Norfolk LGBT History Month Steering Group are offering you the chance to join in the celebrations for LGBT History Month **during the whole of 2011**.

There is a **£200** grant available for you and your group or organisation to put on an event anytime during 2011 to celebrate an historical or modern day LGBT person who inspires you and who you think is a role model.

You don't need to be an 'official' group – you could just be a group of friends who have some creative ideas they would like to put into practice.

Tell us in no more than **500** words, how the person you have chosen inspires you (if writing isn't your thing you can submit a video entry or explain in pictures/drawings instead). We also want to know how you will celebrate this person, who your audience will be, and your ideas for publicising the event and raising awareness of this person across your local area or Norfolk.

Entries will be considered by a panel of members of the Cohesion Network and LGBT History Month organisers. **14** groups from around Norfolk will be awarded £200 each to hold an event.

The best entry will be awarded a **£200** contribution towards the future running costs of their group, in recognition of their efforts to promote equality for LGBT residents of Norfolk.

If you are one of the winning entries awarded a £200 grant, you will also be asked to attend a celebration event with the other successful applicants, to say a few words about why your chosen role model is special, and how they have inspired you.

So get thinking about who inspires you and return the attached form to us before **February 21st 2011**.
