

Raising Attainment of Girls in Mathematics

This course will:

- consider how to raise the standards of girls in mathematics
- explore how girls and boys learn mathematics differently

Course dates:

- 2nd March 2011, 09:00 – 15:30, Norwich PDC
- 8th March 2011, 09:00 – 15:20, West Norfolk PDC

Activity Reference: EPMS5

Fee: £140 per delegate (Norfolk LA Schools)
£154 per delegate (External Clients)

Numbers & Patterns

This course will allow teachers of Foundation Stage and Year 1 to engage with the recently produced Numbers and Patterns materials. Numbers and Patterns is a programme from the Primary National Strategies designed to help practitioners and teachers lay the foundations of early calculation through high quality teaching of number words and numerals, counting and pattern.

This course aims to:

- Consider the underlying principles and practice of high quality mathematics teaching
- Examine the 'Primary National Strategy' document 'Numbers and Patterns'
- Demonstrate and examine a range of practical activities to support the development of children's mathematical understanding

Course dates:

- 15th March 2011, 09:00 – 12:00, West Norfolk PDC

Activity Reference: EPMP8

Fee: £140 per delegate

Mathematics Newly & Recently Qualified

Teachers: Mental and written calculations, talk for mathematics and guided group work

This course is suitable for NQTs and recently qualified teachers working within Key Stages 1 and 2. Although not specifically aimed at teachers of Foundation Stage, at this early stage in their teaching career much of the content would be relevant.

Course Aims:

- Develop person subject knowledge through consideration of key mathematical concepts
- Focus on the links between areas of mathematics
- Consider knowledge of progression in key mathematical areas
- Engage with aspects of pedagogy which enhance teaching and learning

Course dates:

- 19th May 2011, 09:00 – 15:30, West Norfolk PDC
- 23rd May 2011, 09:00 – 15:30, Hethel Engineering Centre

Activity Reference: EPMR4

Fee: £140 per delegate

Course Bookings

All courses can be booked via the online system
