

## **Primary NQT Recruitment 2011**

### **NQT Register:**

A reminder to Primary colleagues that if you are looking to recruit an NQT for September 2011 (and currently subscribe to HR Package A, B or C) you can view details of over 130 students/trainees keen to secure an NQT post in Norfolk via the Norfolk NQT Register.

You can read their application forms and supporting statements online and create your own shortlist of those who meet your requirements.

This, together with advertising your vacancy on the Norfolk Schooljobs site, might well be all you need to secure the right NQT without any further advertising costs.

### **How to logon:**

The NQT Register can be viewed by logging on to [Norfolk Schools](#), selecting 'Norfolk NQT Register' from the 'A-Z' and inserting your school's logon details.

We hope this service will help you recruit the right person and simultaneously keep your costs down.
