

## **Education Technology Show**

**The Forum, Norwich**

**Friday 11 + Saturday 12 March 2011**

A free-to-enter exhibition at The Forum, in Norwich, for parents, teachers and students. Interactive demonstrations of the latest in digital education technology. Speak to the experts about education software and web resources. Exchange information and advice in specialist seminars.

The Education Technology Show is part of Phones, Pixels and Plasmas, a month-long programme of free events and activities. Phones, Pixels and Plasmas is presented by The Forum Trust to help individuals, businesses and organizations make the most of the opportunities presented by the digital revolution.

For more information on The Education Technology Show, and on Phones, Pixels and Plasmas, visit The Forum's website – [theforumnorwich.co.uk](http://theforumnorwich.co.uk)
