Fiddlesticks for KS1 and 2

**Special schools' price for shows performed
between 4th July 2011 to 15th July 2011
£160 (reduced from £260)**

Fiddlesticks is the playful spirit of a violin who breaks free from his strings and journeys into a world of musical fantasy in search of the beautiful Violinka. On his magical adventures, puppets made from old instruments spring to life: birds fly out from music scores, a horse emerges from the bow of a violin...

Garlic Theatre conjures up a spellbinding tale of rhythmical twists and turns! A lively blend of clowning, rod and shadow puppets, percussion and live music.

An ideal show for children from 4 upwards.

'The whole show bursts at the seams with creativity and innovation, which inspired the 3-5 year old audience and drew them wide-eyed into its world of flying song-sheets and cello-bow horses . Iklooshar Malara is the genius puppet master behind this fabulous world of music, movement and drama'.
