Domesticated: exhibition and events at St Gregory's Arts Centre (as part of the Norwich Fringe Festival)

Friday May 6th until Saturday 28th May.

Open Wednesdays to Saturdays 12 – 6pm

Domesticated is an exciting exhibition of work by two emerging artists from Burgh Print Studio in Norfolk. [Sarah Wilson](#) and [Maria Pavledis](#) received an Arts Council grant to establish a print studio and to develop work in parallel; this joint solo exhibition is the culmination of their Arts Council project. With an exciting cross-discipline launch event domesticated will be a stimulating and thought provoking experience. The title of the show links a number of themes which broadly relate to both artists' work: The nature of domesticity in women's lives, narratives within the home and the balance of power in relationships. Examples of the artist's work can be viewed on their websites.

Poetry and Music event with bar Friday 6th May 7.30 – 9.30 pm £3

Following the preview there will be an evening of live poetry and music relating to the themes of the exhibition featuring award winning poets Jane Weir and Esther Morgan and indie folk band, Characters from Books.

Interactive events

A dressing up box and mirror will be available throughout the show where children and adults can playfully assume different identities or characters. On Saturday 14th May a Human Library event on the theme of domesticity will give visitors the opportunity to borrow a real live human being for a conversation instead of a book. www.mariapavledis.com/ www.stgregorysart.co.uk/

Funding for Music Making Activities (England)

Through its "Open Programme", grants of between £5,000 and £30,000 are available to support projects that provide music-making activities for children and young people in support of Youth Music's goals. Youth Music will fund any non profit-making organisation more than one year old that is committed to music-making activities for children and young people up to 18 (or up to 25 if they have special educational needs, disabilities or are in detention). Youth Music aims to support music making activities principally in out of school hours such as during weekends, holidays as well as in breakfast and after schools clubs.
