

## **THINKING INSIDE THE SKETCHBOOK** **NORWICH CASTLE MUSEUM**

A one day practical workshop for teachers of art, craft and design who wish to extend their sketchbook practice, and consider its implementation in the classroom.

Responding to the unique environment of the Norwich Castle Museum you will be asked to make an initial sensory exploration using a variety of media and key words to build your journal.

Doors, windows, hiding places and extensions could emerge, becoming spaces for further ideas development and questions.

The one day workshop will be run by Alison Mountain and Gillian Robinson, co-authors alongside David Hulston of the book 'Thinking Inside the Sketchbook'

Delegates will be given a free copy of 'Thinking Inside the Sketchbook' and a free A3 NSEAD sketchbook as part of the course.

This event is organised by the NSEAD

**Date** Thursday 25 May 2011

**Time** 10.00am until 3.30pm

**Cost** NSEAD members £160, non members £180
